

## Imagine all the good your gift can do!

Your gifts to any of the grant-making Moravian Field of Interest Funds become miracles in the hands of our Savior this February 21. It's the third annual Moravian Day of Giving. The Moravian Ministries Foundation in America is matching the first \$15,000 in gifts to these funds collectively through the Giving Portal on that day. Congregations, agencies, and ministries apply for grants to do good in their communities. Last year, you provided more than \$200,000 in grants to provide food, water, clothing, healing, shelter, and more.

## Field of Interest Funds

- Hunger & Thirst
- Housing & Shelter
- Healing & Health

## How they work

Or give directly to the Moravian congregation, agency, or ministry of your choice – all in one place on The Moravian Giving Portal.
